**2024 CAC GENERAL ELECTION  
PRODUCER CANDIDATE STATEMENT**

*(Please Print or Type All Information)*

NAME: John Haskett

GROVE CITY/CITIES: Bonsall, CA

**STATEMENT OF QUALIFICATIONS:**

*This form will be included with the ballots to inform growers about your qualifications. Please limit your statement to the space provided.*

I own and manage 75 acres of avocados in Bonsall, CA. I do not own or manage any interest in packing, distribution, or foreign production of avocados. I purchased a 105 acre stand of avocados in 2014 and have been replanting the last 7 years. I am self taught as I had no prior experience with stone fruit. I have over 40 years of business experience, 30+ of those years at the C Suite, Director, or Board level. None of my business experience is directly in agriculture. I was raised around agriculture, specifically dairy and open/row crop farming in the Central Valley near Merced, CA. I have a Masters of Science from the Graduate School of Business at USD.

I have an unyielding commitment to California avocados and their producers. I am intimately aware of the devastating cost of water, fuel, labor, utilities, and insurance that collectively pose an existential threat to California avocado producers. I would appreciate your consideration.

I declare under penalty of perjury that the foregoing is a complete, true and correct explanation of my qualifications. I understand that this form shall be reproduced and included with election information mailed to eligible voters.
